Professional Experience

Lotus Casino, 2012 - 2014

Armed Guard – I performed the duties required of a guard at the Lotus Casino. I am proficient in report writing, chip counting, dealer evaluations, investigating incidents and providing a safe and friendly environments for employees and customers. I have helped create the standards for security procedures involving incident reporting, card control, and CCTV investigations. I am certified in CPR and First Aid.

United States Army, 2011 - 2015

Squad Leader – I am responsible for a ten man squad. I maintained accountability for each soldier and his skill levels. I use counseling, classes, and other capable soldiers to help maintain the standards of performance. My squad was responsible for 2 Humvees, 1 Three axle Light Amor Transport Vehicle, and responsible for up to a million of dollars in assets.

Robinson's Taekwondo, 2004 - 2008

School Manager – I developed and implemented marketing campaigns involving demonstrations, advertising, and promotional events. I managed three instructors and about 200 students. I was responsible for meeting enrolment requirements, making sure that all students were not falling behind on their training goals, and upholding the instructors to the owner's standards.
