A project of an interior completely traced with the pen tool using color filling and finishing with the mesh tool.

Designed a coffee shop logo
using Adobe Illustrator CC

A Play Station 4 controller designed and illustrated strictly with shapes.

Re Imagined Pokemon
website using Adobe
Illustrator CC.

MARISSA

Two photographs taken of the same tiger painted white and blended into one frame using Photoshop CS5.

Taken and edited by Marissa Patton

A thirty second exposure with lighting techniques and LED strands created this visual effect.
