A webpage I designed, using the pen tool, type tool, and auto-trace features in Illustrator.

Illustrator CC

A vector image of a modern loft interior. Designed using only the pen tool, and based the picture to the left.

Illustrator CC

A logo for a made up
Thai food resturaunt.

Another logo design.

This time I was inspired by a rocket ship, and used the pen tool, the type tool, and the free transform tool, to add the previous Experienced logo, to the wings of the vector rocket I created.
